

Bulk Pickup

To order a bulk waste pickup for your home in Georgetown, you will need to schedule it directly with the city's waste provider, Texas Disposal Systems (TDS). Here is how to set it up:

1. **Call TDS:** Call Texas Disposal Systems at **512-930-1715** to request the service.
2. **Schedule in Advance:** Pickups must be scheduled ahead of time and will occur on your regular trash collection day.

Important details to know:

- **Free Allotment:** As a City of Georgetown resident, you receive up to **4 free curbside bulky waste pickups per calendar year**.
- **Size Limits:** You can place up to 3 cubic yards of items on the curb for free (roughly the size of a standard pickup truck bed). Any volume over 3 cubic yards will incur a fee.
- **Timing:** Do not place items on the curb more than 24 hours before your scheduled pickup day.
- **Acceptable Items:** Furniture, mattresses, toilets, washers, dryers, and refrigerators (refrigerators may require an extra fee for chemical removal).
- **Unacceptable Items:** Tires, vehicle batteries, hazardous materials, and construction waste (such as bathtubs, cabinetry, or sheetrock).

Alternatively, if you want to drop items off yourself, you can take them to the TDS Transfer Station located at 250 W.L. Walden Drive for a fee.
